Management of Laboratory-Acquired Vaccinia Virus Exposure

**Presenter:** Sharon S. Lee, MD, MPH
Second Year Resident, Occupational and Environmental Medicine
Harvard School of Public Health

**Discussant:** Thomas Winters, MD, FACOEM
Chief Medical Officer and Principal Partner
Occupational and Environmental Health Network

**Learning Objectives:** Participants will be able to 1) describe the symptoms of vaccinia virus infection; 2) list the adverse effects associated with the vaccinia vaccine; and 3) describe the appropriate vaccinia virus post-exposure management.

Sponsored by the Harvard-NIOSH Education and Research Center (T42 OH008416), the Environmental and Occupational Medicine and Epidemiology Program, the Harvard-NIEHS Center for Environmental Health (P30 ES000002), the Department of Environmental Health, and funded in part by the National Institute for Occupational Safety and Health.

This program is sponsored by the Harvard School of Public Health. The Harvard School of Public Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Harvard School of Public Health takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Harvard School of Public Health designates this educational activity for a maximum of 1 AMA PRA category 1 credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
