2016-2017

January Seminars in Occupational and Environmental Health Research

THE DISASTER PREPAREDNESS AND RESEARCH SERIES

Harvard T.H. Chan School of Public Health

Friday, January 13, 2017, 11:00am-12:00pm

Bldg. One, Room 1302

The National Institute for Occupational Safety and Health (NIOSH) Disaster Science Responder Research Program

Presenters:
Elizabeth A. Whelan, PhD
Chief, Industrywide Studies Branch
Division of Surveillance, Hazard Evaluations and Field Studies
CDC/NIOSH

Angela Weber, MS
Coordinator, Disaster Science Responder Research Program
Emergency Preparedness Response Office
CDC/NIOSH

Learning Objectives: Participants will be able to 1) describe how NIOSH responds to public health emergencies; 2) describe how the Disaster Science Responder Research (DSRR) Program fits into the overall emergency preparedness framework at NIOSH; and 3) to present the four major goals of the NIOSH DSRR Program.

Sponsored by the Harvard Education and Research Center (T42 OH008416), the Environmental and Occupational Medicine and Epidemiology Program, the HSPH-NIEHS Center for Environmental Health (P30 ES000002), the Department of Environmental Health, and funded in part by the National Institute for Occupational Safety and Health.

This program is sponsored by the Harvard T.H. Chan School of Public Health. The Harvard T.H. Chan School of Public Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Harvard T.H. Chan School of Public Health takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Harvard T.H. Chan School of Public Health designates this educational activity for a maximum of 1 AMA PRA category I credit TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

All are welcome to attend. Light lunch and drinks available.
