PrEP and the traveler

Presenter: Rob Filler, MD, MPH
Resident, Occupational and Environmental Medicine Residency, Harvard T.H. Chan School of Public Health

Discussant: Laura Kogelman, MD
Director, Infectious Diseases Clinic and Traveler’s Health Clinic; Associate Professor, Tufts University School of Medicine

Learning Objectives: Participants will be able to 1) identify appropriate candidates for PrEP; 2) explain the screening criteria when starting PrEP; and to 3) explain how to apply monitoring when continuing PrEP.

Sponsored by the Harvard-NIOSH Education and Research Center (T42 OH008416-14), the Environmental and Occupational Medicine and Epidemiology Program, the Harvard-NIEHS Center for Environmental Health (P30 ES000002), the Department of Environmental Health, and funded in part by the National Institute for Occupational Safety and Health.

The Harvard T.H. Chan School of Public Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Harvard T.H. Chan School of Public Health takes responsibility for the content, quality, and scientific integrity of this CME activity and designates this educational activity for a maximum of 0.75 AMA PRA category 1 credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

All are welcome to attend. ♦ Light snacks and drinks available or bring your own.
