**Uncertain Exposure: Infectious Diseases and the Workplace  
A Closer Look at COVID-19**

**Presenter:** Stephen Kasteler, MD  
Resident, Occupational and Environmental Medicine Residency  
Harvard T.H. Chan School of Public Health

**Discussant:** Eirini Iliaki, MD, MPH  
Physician, Cambridge Health Alliance (CHA)  
Infectious Diseases-Zinberg and Cambridge TB Clinic  
Occupational and Environmental Clinic, CHA

**Learning Objectives:** Participants will be able to 1) describe the symptoms of COVID-19; 2) describe the approach to an asymptomatic employee with work-related COVID-19 exposure; 3) describe the approach to an asymptomatic employee with community or travel exposure to COVID-19; and to 4) discuss the return to work considerations for employees who are experiencing URI symptoms without a known exposure to COVID-19.

Sponsored by the Harvard-NIOSH Education and Research Center (T42 OH008416-14), the Environmental and Occupational Medicine and Epidemiology Program, the Harvard-NIEHS Center for Environmental Health (P30 ES000002), the Department of Environmental Health, and funded in part by the National Institute for Occupational Safety and Health. The Harvard T.H. Chan School of Public Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians and takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Harvard T.H. Chan School of Public Health designates this educational activity for a maximum of 0.75 AMA PRA category I credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

All are welcome to attend the online ZOOM presentation.

# EVALUATION

*Scan and use this code to complete the evaluation of the session: Uncertain Exposure: Infectious Diseases and the Workplace. The QR code will also appear in the presenters' powerpoint presentation. Thank you. [abackus@hsph.harvard.edu](mailto:abackus@hsph.harvard.edu).*
