

Dear Colleagues,

It is my pleasure to announce the 2015 recipient of the Sarah K. Wood Award for Outstanding Staff Performance.....

**Barbara Heil**  
**Assistant Director of Educational Programs**  
**Global Health and Population**

This award was established by friends and admirers of Sarah K. Wood in tribute to her many years of exceptional service to Harvard University and the Harvard T.H. Chan School of Public Health. Barbara truly embodies all that this award symbolizes. We will further recognize Barbara at the School's Commencement awards program later this month.

Many thanks to all who took the time to nominate and to the School-wide recognition committee for their work on this award!

Best,  
Linda
