

Dear Colleagues,

It is my pleasure to announce the 2019 recipient of the Sarah K. Wood Award for Outstanding Staff Performance.....

Katrina Soriano
Director of Administration and Finance – Nutrition
Interim Director of Administration – Genetics and Complex Diseases

This award was established by friends and admirers of Sarah K. Wood in tribute to her many years of exceptional service to Harvard University and the Harvard T.H. Chan School of Public Health. Katrina is an excellent example of someone who demonstrates all of the qualities represented in this award. We will further recognize Katrina at the School's award presentation and celebration later this month. We hope you will join us to support Katrina at the event.

Many thanks to all who took the time to nominate and to the School-wide recognition committee for their work on this award!
