

Dear Colleagues,

Please join me in congratulating the 2020 staff nominees for the [Sarah K. Wood Award for Outstanding Staff Performance](#)!

The committee was impressed to read the nominations and the incredible dedication and commitment. Even during these challenging times and in the midst of all the uncertainty, nominees continue to show how much they value their work, how they are willing to teach and mentor others, and how dedicated and committed they are to their department, the School and its mission. They are all deserving of the award!

The recipient of this award will be announced in the coming weeks.

Thank you!

Linda
