

Dear Colleagues,

It is my pleasure to announce the recipient of the 2020 Sarah K. Wood Award for Outstanding Staff Performance.....

**Coppelia Liebenthal**  
**Executive Assistant and Senior Communications Coordinator**  
**Epidemiology**

This award was established by friends and admirers of Sarah K. Wood in tribute to her many years of exceptional service to Harvard University and the Harvard T.H. Chan School of Public Health. Coppelia is an excellent example of someone who demonstrates all of the qualities represented in this award. We will further recognize Coppelia at the School's online convocation ceremony on May 28. We hope you will join us to virtually support Coppelia in receiving the award.

Many thanks to all who took the time to nominate someone and to the School-wide recognition committee for their work on this award!
