Symposium Sponsored by STRIPED & Harvard Catalyst:

Reimagining the Frontier of Public Health Approaches to Eating Disorders Prevention: Transdisciplinary, Translational, Transformative

OVERVIEW OF PROGRAM AGENDA

MONDAY, APRIL 30, 2018
7:30AM – 5:30PM
HARVARD MEDICAL SCHOOL
JOSEPH B. MARTIN CONFERENCE CENTER
77 AVENUE LOUIS PASTEUR, BOSTON, MA 02115

The symposium will feature high profile keynotes, lightning talks on eating disorders prevention topics, and innovative field demonstrations from researchers and practitioners from across sectors and disciplines

All audiences welcome

7:30 – 8:00AM Event registration, light breakfast

8:00 – 8:15AM Welcome & vision, goals for symposium
○ S. Bryn Austin, ScD, STRIPED Director

8:15 – 8:40AM Keynote: Congressional perspectives on role of government and cross-sector collaboration in eating disorders prevention, mental health promotion

8:45 – 9:45AM Expert panel: Early detection, early intervention: Innovations from the field for large-scale reach for underserved communities
○ Moderator: Kamryn Eddy, Co-director of the Eating Disorders Clinical and Research Program, Massachusetts General Hospital
○ Renee Gibbs & Natara Garovoy, Veterans Healthcare System, US Department of Veterans Affairs
○ John Straus, Massachusetts Child Psychiatry Access Program
  ▪ Mental health screening and treatment access for youth in primary care settings serving Medicaid recipients.
○ Therese Waterhous, Willamette Nutrition Source, Oregon
  ▪ Oregon Medicaid program to train primary care providers in accountable care organizations to screen for eating disorders.
○ Zafra Cooper, Yale School of Medicine, Department of Psychiatry
  ▪ Online early detection and low-intensity intervention to reach underserved populations.
9:50 – 10:50AM  **Expert panel:** Weight stigma and discrimination: Research, policy, and social justice perspectives  
- **Moderator:** Kirsten Davison, Director of Program in Public Health Nutrition at Harvard T.H. Chan School of Public Health  
- Kendrin Sonneville, University of Michigan School of Public Health, Department of Nutritional Sciences  
  - Effects of body dissatisfaction and weight stigma on eating disorders symptoms, nutritional behaviors, and weight trajectories.  
- Josiemer Mattei, Harvard T.H. Chan School of Public Health, Department of Nutrition  
  - Effects of weight stigma and discrimination on stress pathophysiology in marginalized populations.  
- Iyiola Solanke, University of Leeds, School of Law  
  - Legal theory and analysis of anti-weight-discrimination law and social justice in multiple national legal contexts.  
- Lisa du Breuil, Massachusetts General Hospital  
  - Community advocacy, social justice, and diversity training on the issues of weight stigma and discrimination.

10:50 – 11:05AM  **BREAK**

11:05AM – 12:05PM  **Expert panel:** Strategic science and public health strategies for prevention: Decision sciences, macro policy research, and business innovations  
- **Moderator:** TBD  
- Christina Roberto, University of Pennsylvania Perelman School of Medicine, Department of Medical Ethics and Health Policy  
  - Strategic science in nutritional public health and eating disorders.  
- Davene Wright, University of Washington, Department of Pediatrics and Seattle Children’s Hospital  
  - Comparative cost-effectiveness primary and secondary eating disorders prevention strategies.  
- Rachel Rodgers, Northeastern University Bouvé College of Health Sciences  
  - Evaluation of macro-level influences including mass media, fashion industry, and food industry and evaluation of policy interventions to reduce consumer risk.  
- Troyen Brennan, Chief Medical Officer, CVS Health  
  - Business perspectives on cross-sector (e.g., industry, government, community, academy) initiatives to promote public health.

12:05 – 12:25PM  **Keynote:** Global innovations in low-resource settings for early detection/early intervention and mental health promotion  
- Vikram Patel, Professor of Global Health and Social Medicine, Harvard Medical School  
  - Scalable mental health screening and treatment interventions in low-resource settings and role of service, equity, and social justice in shaping research agendas for prevention.

12:25 – 12:45PM  Pick up lunch tote & take to break-out sessions
12:45 – 2:15PM  Break-out sessions with symposium attendees and panelists

**Group A – Early Detection, Early Intervention Innovations**
- **Moderator:** Dr. Holly Gooding, Boston Children’s Hospital, Division of Adolescent and Young Adult Medicine

**Group B – Weight Stigma and Discrimination**
- **Moderator:** Dr. Allegra Gordon, Boston Children’s Hospital, Division of Adolescent and Young Adult Medicine

**Group C – Strategic Science and Public Health Strategies for Prevention**
- **Moderator:** Dr. Michael Long, George Washington University, Milken Institute School of Public Health, Department of Prevention and Community Health

2:15 – 2:30PM  BREAK

2:30 – 3:30PM  Reconvene in main auditorium from break-out groups for report back and discussion of translational and transdisciplinary research opportunities to engage stakeholders across multiple sectors.

3:30 – 4:15PM  Full audience and panelists discussion of insights for new directions, innovations for primary and secondary prevention of eating disorders, opportunities for cross-sector, transdisciplinary collaborations for translational research and practice to reach underserved communities, advance large-scale public health strategies.

4:15 – 4:30PM  Closing Remarks
- S. Bryn Austin, ScD, STRIPED Director.

4:30 – 5:30PM  End-of-day networking reception
