As work on lethal bird flu research resumes, debate continues

A group of scientists recently announced their intention to resume research on the potentially deadly H5N1 bird flu virus even as debate over the safety of the research continued. HSPH experts call for "exceptional scrutiny" of such research. Read more

Around the School

In Memoriam: Donald Hornig, founding director of HSPH's Interdisciplinary Programs in Health
Donald Hornig, professor of chemistry, emeritus, and a former president of Brown University, key figure in the Manhattan Project, and science adviser to three

**Volunteer ESL/English/GED tutors needed**
The Harvard Bridge Program is recruiting volunteer tutors to work with adult learners 2 hours per week. Harvard service employees need tutoring in English conversation, writing or reading. Tutor training, materials and support are provided, and no previous teaching experience is required. Tutors are needed at all of the Harvard campuses, especially Longwood.

**MS Lync Messenger now available**
This program replaces Groupwise Messenger for instant message use at HSPH. Lync will expand connectivity by allowing IM, and video and audio conferencing between HSPH and the greater Harvard Community.
