Centennial Moments

Successes, stories, and surprising facts as the School celebrates its 2013-2014 centennial.

Leading the CDC: A job fit for an HSPH graduate

Around the School

Study strengthens link between neonicotinoids and collapse of bee colonies
Two widely used insecticides appear to significantly harm honey bee colonies over the winter, particularly during colder winters.

Improving health for people with disabilities
Asare Christian, MPH '14, a rehabilitation physician, is working to create a medical rehabilitation program in Ghana — the first of its kind in sub-Saharan Africa.

Delaying Pregnancy and Parenthood The Risks and Rewards
Watch live webcast
May 21
12:30–1:30 PM
This Forum will examine the factors driving delayed pregnancy, and the risks and benefits of older parenthood.

Dariush Mozaffarian named

May 15, 2014
dean of Friedman School
Dariush Mozaffarian, associate professor in the Department of Epidemiology, will become dean of Tufts's School of Nutrition Science and Policy on July 1.

High schoolers gain insight into public health careers
High school students learned about public health at an event organized by HSPH students and sponsored by the Office of Diversity and Inclusion.

ePerformance: Complete reviews by June 13
Please reach out to your manager as soon as possible if you have questions about your review in order to meet the June 13 deadline. Remember that your review in ePerformance is not yet finalized until it shows as “complete.”

Share feedback on HR operations and service
Human Resources is soliciting feedback on all areas of HR including but not limited to recruitment, training, work/life programs, career development, human resources information systems, as well as service from HR partners.

Video of HUPD training
Watch a video of the recent Harvard University Police trainings on how to respond to an active shooter situation on campus.

MASCO Customer Service Survey
MASCO is conducting a Customer Service Survey to solicit opinions, comments and suggestions regarding our parking and transportation services. This online survey should take about 5 minutes to complete. By completing the survey and submitting it, the respondent will be entered into a drawing for two Red Sox tickets.

ASPPH offers Discover Public Health webinar
ASPPH will host the first webinar in the Discover Public Health series, "Environmental and Occupational Health," on May 21, 2:00–3:00 PM (EDT), featuring Michael Bisesi, senior associate dean of academic affairs at Ohio State University, and Mark Robson, dean of agricultural and urban programs at Rutgers. The webinar is directed towards prospective students of public health and anyone interested in environmental health sciences.
