Alumni tackle health
disparities
Chicago physicians Cheryl Whitaker, MPH '94, and Eric Whitaker, MPH '93, co-presented the Yerby Diversity Lecture in Public Health.

Eight challenges to customer-driven health care
John Quelch spoke with the ECPE program about the importance of customer-driven strategies in health care — and some of the obstacles.

Nominations open for Staff Recognition Award
The Staff Recognition Award is open to any Harvard T.H. Chan School of Public Health staff member, and is intended to acknowledge the importance of non-classroom and mentoring activities on the lives of students. Faculty, staff, and students may submit nominations by 5:00 PM on April 10. Nominations may be in email form and should describe in no more than 300 words why you feel this person should be nominated.

Nominations open for Sarah K. Wood Award for Outstanding Staff Performance
The Sarah K. Wood Award for Outstanding Staff Performance recognizes a staff member who demonstrates the qualities of dedication, competence, positive attitude, initiative, and ability to mentor, encourage, and inspire others, in addition to a demonstrated commitment to the School and its mission. The award includes a $2,500 prize. For more information, see the April 1 e-mail from the Dean's Office, or contact Linda Picard, senior director of Human Resources. Nominations are due by April 17.

Work/Life seminars
Check out the schedule of new seminars offered this spring on topics ranging from recruiting a diverse team to buying a home.
