270. Balarajan Y, **Subramanian S V**, Fawzi WW. Maternal iron and folic acid supplementation is associated with lower risk of low birth weight in India. *Journal of Nutrition* 2013, 143, 8: 1309-1315.

273. Corsi DJ, **Subramanian S V** et al. Prospective Urban Rural Epidemiology (PURE) study: Baseline characteristics of the household sample and comparative analyses with national data in 17 countries. *American Heart Journal* 2013, 166, 4: 636-646.

319. Oh J, Ro YS, Lee JK, Kim MJ, Shin SD, Ahn J, Subramanian S V. The willingness of and barriers to Korean health care providers participating in a humanitarian assistance

**Editorials, Commentaries, Letters, Conference Abstracts in Peer-reviewed Journals**

360. Suzuki E, Yamamoto E, Takao S, Kawachi I, **Subramanian S V**. Multilevel models from two distinctive definitions of ecological variables: self-inclusion and self-exclusion

361. Özaltin E, **Subramanian S V**. Understanding the association between maternal height and child outcomes: Letter in Reply. *JAMA* 2010, 304, 6: 638-639.

363. Subramanyam MA, **Subramanian S V**. Research on social inequalities in health in India. *Indian Journal of Medical Research* 2011, 133, 5: 461-463.

Books

**Book Chapters, Research Monographs, and Reports**

Educational/Training materials

427. **Subramanian S V, Jones K. Multilevel statistical models: concepts and applications.**

**INVITED LECTURES** (Title, Event, Location, Date, ~Attendance)

1. *Child stunting in low- and middle-income countries: overview and lessons learned*, Guest Lecture, Seoul National University College of Medicine, Seoul, South Korea, March 19, 2015, 20.

2. *Global health discourse: Is it driven by rhetoric or evidence?* Academia for Global Medicine Lecture Series, JW Lee Center for Global Medicine of Seoul National University College of Medicine, Seoul, South Korea, March 17, 2015, 75.

6. *“What’s the unit of analysis?” Is this question too restrictive*, J Douglas Eyre Distinguished Lecture, Department of Geography, University of North Carolina, Chapel Hill, November 21, 2014, 75.

14. Place, space and health: future directions, Nihon University, Tokyo, November 23, 2013, 75.

15. Do minority and poor areas have closer proximity to fast-food restaurants in the United States (US)? Annual Meeting of the Robert Wood Johnson Investigator Award in Health Policy Research, Atlanta, US, September 27, 2013, 60.

17. Income inequality and health: an agenda for research and action in India, Seminar, South Asia Network for Chronic Diseases, New Delhi, India, August 14, 2013, 20.

19. Income inequality and health: an agenda for research and action in India, Keynote Address, Workshop on Health Inequality in India: Concept, Methods and Evidence, Institute of Economic Growth, New Delhi, India, July 23, 2013, 100.

20. What’s wrong with single-level epidemiology? Special Research Seminar, Public Health Foundation of India, New Delhi, India, July 18, 2013, 35. (+ Webinar)

23. *Intergenerational influences on child nutrition in low and middle income countries*, Carolina Population Center, University of North Carolina, Chapel Hill, April 26, 2013, 50.

24. *Intergenerational influences on child nutrition*, University of Okayama, Okayama, Japan, February 18, 2013, 20.

33. *Linked Lives: Intergenerational Influences on Child Mortality and Nutrition*, Epidemiology Seminar, School of Medicine, Nagoya University, August 3, 2012, 90.

40. *Is this the end of geography as a discipline?* “State of the Field” Panel Discussion, Weatherhead Center for International Affairs, Harvard University, November 16, 2011, 50.

41. *Social Epidemiology of Nutrition in LMICs*, Advanced Training Seminar on Nutritional Epidemiology, Centre for Chronic Disease Control, New Delhi, India, November 5, 2011, 60.

42. *Multilevel Methods: An Overview*, Advanced Training Seminar on Nutritional Epidemiology, Centre for Chronic Disease Control, New Delhi, India, November 6, 2011, 60.

45. *Why Multilevel Approaches are Useful?* Department of Health Policy and Management, Medical School, Seoul National University, South Korea, May 17, 2011, 60.

46. *Relevance of Multilevel Perspectives*, Laboratory for Emergency Medical Service, Seoul National University Hospital Clinical Research Institute, South Korea, May 16, 2011, 20.

62. *SES and Health*, Medical Staff Education Program, Exeter Hospital, Exeter, NH, September 29, 2009, 50.

65. *Income Inequality and Health*, Workshop on Disparities in health in America: Working Towards Social Justice, University of Houston-Downtown, Houston, TX, October 21, 2008, 50.

68. *Income Inequality And Health: What Have We Learned So Far*, Healthway Visiting Fellow Seminar, University of Western Australia, Perth, Australia, June 15, 2008, 50.

70. *Neighborhoods and Health: An Update*, Invited Seminar, Okayama University, Okayama, Japan, January 8, 2008, 40.

72. *Social Determinants Approach to Understanding Nutritional Status in India*, International Teaching Seminar on Nutritional Research Methods, Public Health Foundation of India, New Delhi, India, November 29, 2007, 50.

75. *Socioeconomic Status, Air Pollution and Health*, Workshop on Air Pollution and Cardiovascular Diseases, Population Health Research Institute, Hamilton, Canada, September 27, 2007, 50.

78. *Issues for Social Epidemiology*, Exploring "Inequalities in Health" - Social Epidemiological Approaches to Care Prevention, Nagoya, Japan, March 18, 2007, 100.

79. *Income Inequality and Health: What Have We Learned So Far*, Invited Seminar, Nihon Fukushi University, Nagoya, Japan, March 17, 2007, 40.

81. *Income Inequality and Health: What Have We Learned So Far*, RWJ Health and Society Scholar Seminar, Harvard University, Cambridge, MA, March 1, 2007, 30.

83. *Income Inequality and Health: What Have We Learned So Far*, IES Seminar, Department of Psychology, University of Miami, Miami, FL, November 7, 2006, 40.

90. *Income Inequality and Health*, 4th Annual Health Disparities Summer Workshop, Houston, TX, June 28, 2006, 100.

93. *Income Inequality and Health*, Prospective Urban Rural Epidemiologic (PURE) Survey Global Investigators Meeting, Dubai, UAE, January 6, 2006, 100.

94. *Income Inequality and Health*, Workshop on Disparities in health in America: Working Towards Social Justice, University of Houston-Downtown, November 15, 2005, 50.

97. *Income Inequality and Health*, New Developments in Social Determinants of Health: International and Australian Perspectives, VicHealth and Key Centre for Women's Health, Melbourne, Australia, June 10, 2005, 100.

99. *Income Inequality and Health*, Departmental Seminar, Department of Economics, Ohio State University, Columbus, OH, April 21, 2005, 40.

111. *Inequality and Health: What Have We Learned So Far*, Invited Seminar, Department of Community Health, Brown University, Providence, RI, November 5, 2003, 75.
